Ski Tigers Kilometer Club

- Keep track of all the kilometers you ski this season. As soon as you begin skiing you can begin counting your Ks! Keep track of all those Ks until April 1st.
- If you know which loops at MTU or Swedetown you skied you can use www.kmtracker.org to quickly calculate the number of Ks you skied.
- Email your kilometer totals to kilometer club coordinator one (1) week prior to the pool party.
- Pat yourself on the back and give a big tiger ROAR! You'll be recognized with a certificate at the end of Season Pool Party.
- The top three (3) skiers with the most kilometers skied in each color group will receive an additional award.
